

Free Engagement Portraits

Your engagement portrait session is a great idea for several reasons.

It gives all of us an opportunity to work together before your wedding day.

We get better acquainted while we pass on posing tech-niques you will use on your wedding day.

We have found that people who sit for engagement portraits have more natural looking wedding photographs.

Your portraiture session allows you to trial your hairstyle and makeup.

You will be given 2 - 18x13cm images

Consider our three for two price offer of a 40x25cm magazine style wall print which captures all the expressions of the sitting.
